

Our easy read services

Easy read translation

We can make your document into easy read for you. We charge **£42 per hour** for this. We give you a quote to say how long it should take to translate. We only charge for the hours we work.

We **co-produce** our easy read. An Adviser and an 'expert by experience' with learning disabilities will work together to do translation. Both are paid for their time.

When we provide a quote we will tell you when we think we can get it finished. If you have a deadline then please tell us straight away and we will try to help.

We are licensed with a full version of photosymbols as we think it is better to use photographs and not line drawings.

Easy read training

We offer a hands on training session called **Making Information Accessible**.

It is a half-day course and you leave with a 'how to' guide worth £25.

All our training sessions are written and run by people with learning disabilities with support. We are **experts by experience**.

We run courses in Norwich at our office. We can come to you if you have an accessible space for wheelchair users.

We can 'test' your easy read work for you

We offer a service where we will look at your easy read document and give you advice about how accessible it is.

We charge for our time to do this.
