

How to use Alexa

Easy read guide for people with learning disabilities

What is Alexa?

Alexa is a **voice assistant**.
You can talk to Alexa.
Alexa **listens** and **helps** you.

To get started you will need:

Wi-Fi

Plug socket

Alexa device

Setting up Alexa – you only need to do this once

1. Plug in your
Alexa

2. Wait for the
light to turn on

3. Download
the Alexa app

4. Connect
to Wi-Fi

How to talk to Alexa

Here are some examples:

'Alexa, **what time is it?**'

'Alexa, **play music**'

'Alexa, stop'

'Alexa, **set a reminder for 9am**'

'Alexa, stop reminder'

Remember Alexa will not listen until you say 'Alexa'

Helpful tips

 Use short sentences	 Say 1 thing at a time	 You can say 'Alexa, help'
---	---	--

	It is ok to try again.
	Ask for help from someone you can trust if you need it.

If Alexa does not work try this:

 Speak clearly	 Speak a little louder	 Move closer to Alexa	 Check the plug is in
--	---	---	--

Remember

Do not share personal information like your address or bank details.

Press the microphone off button to stop Alexa listening.

Have a go and have fun 😊
